DEWEY

Why will Dewey have a hot time in the old town tonight? Because they've old-Wood Green-wood Bird-Wood and a Wood-buster.

Rev. Hartle of Carterville was brought out to Salem Sunday by Mr. Harbur of Jasper and preached a sermon that went to the hearts of all. He didn't care if the floor was dusty or the children "fidgety" or the Christians absent. He had a message and all received it. Several asked for the prayers of the church and a general hand-shaking closed the service. It won't take long to fill Salem church with members if Rev. Hartle preaches.

Sunday visits: Mrs. Kyte with Turner's, Mrs. Smith with Markhams', Harve Goff with Fergusons'.

Mr. Patterson has moved on John Gaddie's farm.

Mrs. Crow and children have the

tonsillitis.

Mrs. Bayne's children have the whooping cough.

Mr. Owens has the grip.

Mr. Campbell is moving below Carthage.

Best wishes to Miss Mable Conrad who was a Deweyite once but is now a Mrs. Smith.

Mrs. Eva O. Smith will preach at Salem Sunday Feb. 16. Mrs. Matthews will entertain her and will be glad to have any of the ladies call on her Saturday afternoon. She preaches at Pleasant View Monday.

Mr. Flowers' wife, children, and grand-children will celebrate Mrs. Flower's and Tom Flower's birthday Tuesday with Mrs. Estey.

There will be a pie-supper at Dewey school on Saturday night, Feb. 22. Everybody come; girls, bring a pie; boys come and listen to the program and buy the pies.

TWO MORE BIG GAMES.

Jasper Gets Dates With Tulsa High and Kansas Normal.

That Jasper's basket ball team is being heard of in distant places is evident from the number of offers the team is getting from well known teams. Tulsa high school, which holds the undisputed championship of Oklahoma, having defeated Oklahoma City, Guthrie, Enid and all the good teams there, want a game here on the 20th and intimate in their challenge that they consider Jasper easy meat. Their challenge has been accepted and the game will be played on that date, which is the only one they can give us. If we beat them Jasper can lay claim to the championship of two states, which will give the school an amount of advertising that doesn't come to every school.

Another team that wants to try a fall with Jasper is the Kansas State Normal team, who ask for the night preceding the Tulsa game, the 19th. The Normals have beaten Kansas State University and claim the collegiate championship of Kansas. That has a formidable sound, but of course we'll have to be shown. They will get the date they want.

The only difficulty about these games is that they come on succeeding nights and will require about \$80 to finance them. It is to be hoped the fans won't let the team go "in the hole." It is possible that the best reserved seats may be sold at a higher price than heretofore in order to make the sum required. In any event it's up to the fans to go to both games and take all their friends along. If Jasper can be beaten we want to see the team that can turn the trick.

Bogus "Jesse James Jr." Released.

"Jesse James," who claims to be a son of the famous bandit, and who has a guest of the Carthage holdover for some weeks past to atone for a larceny charge, was released last Saturday and went on his way rejoicing, chiefly because his fare was paid to Webb by Marshal Doty. A queer feature of this case is that "James" really seemed to have the Carthage papers have convinced he is really Jesse James, Jr.

As a matter of fact Jesse James, Jr., is a solid and reputable business man at Kansas City and can be reached any time by phone. He would be in poor business leaving a profitable business to engage in petty thieving.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery; and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C.
